Subject: Pharmacy Museum Specimens

Respected sir ,

We would like to introduce ourselves as a Pioneer Pharma Consultancy organization, catering the needs of **Pharmaceutical Industry and Pharmacy Education Institute**. The role of any Pharmacist is to create the awareness of Pharmacy Profession in Society and we would like to help you in creating the professional atmosphere in your college by **Attractive, Elegant, Informative and Educative Museum specimens** of Pharmacy Profession. Pharmacy Museum is the prime requirement during P.C.I. or A.I.C.T.E. or Govt. inspection and our every effort in this direction will build the image of your college by all means. Our museum specimens will be useful to your college for **Accreditation Programme** to get highest **grade** from **A.I.C.T.E or ISO 9000 certification**.

With this letter we are sending you the list of museum specimens covering

- 1) History of Pharmacy
- 2) History of Medicine
- 3) Scientist with Their Contribution
- 4) Pharmaceutical Care
- 5) Pharmaceutical Technology
- 6) Manufacturing Process
- 7) Advances in Pharmaceutical Technology
- 8) Medicinal Plant

In our list, we have the Museum Specimens right from History of Pharmacy to Latest technical advancement in the Pharmaceutical Field. We have already developed more than 400 ideal specimens and can also develop the specimens according to the directions of concerned staff from your college.

We also design special Museum as per your requirement and space which create profession ambience and atmosphere in your Pharmacy College. Our Team will visit your college and take specifications and will show you design and then work on this Project.
